

SUNSET VILLA CARE CENTER

June 26, 2020

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Sunset Villa Care Center has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working very hard to make sure they are safe, we also want to make sure they are having some fun! Several times a week, we have special-themed snacks for everyone to enjoy. One of our nurses occasionally brings his guitar and serenades the residents in their rooms. On the cooler mornings, we take the residents on strolls outside for a breath of fresh air. The therapy department also incorporates the outdoors when they can by having residents water the roses or perform other tasks that qualify as therapy.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 575-623-7097.

Sincerely,
